

Court Summary

66 Counties with All Courts Connected

343 Courts Connected representing 94.8% of annual cases
 12 Courts Coming Soon representing 3.0% of annual cases
 8 Courts In Queue representing 1.3% of annual cases
 5 Courts Unable to Connect representing 0.7% of annual cases
 2 Courts Not Participating representing 0.2% of annual cases

The courts of appeals for the 12 appellate districts are not reflected in the court counts above. The official record for each case is filed with the Clerk of Courts for the Common Pleas Court for each county in the district.

Connected are those courts that are regularly sending updates to the OCN.
Coming Soon are those courts that will soon be sending regular updates to the OCN.
In Queue are those courts with no technical obstacles, but are not actively being connected.
Unable to Connect are those courts that have signed a Memorandum of Understanding and will begin sharing data with the OCN when their technology will allow.
Not Participating are those courts that have elected not to sign a Memorandum of Understanding and will not be submitting data to the OCN.
