RFP Prepared by

The Supreme Court of Ohio

Request for Proposals for a Hosted Case Management
System RFP Number 2011-1

Appendix B - SCO Common Court Interfaces

4 August 2010

<u>**NOTICE**</u>

R.C. Section 9.24 prohibits the Supreme Court from awarding a contract to any Vendor against whom
the Auditor of State has issued a finding for recovery if the finding for recovery is unresolved at the time
of award. By submitting a proposal, a Vendor warrants that it is not now, and will not become subject to
an unresolved finding for recovery under R.C. Section 9.24, prior to the award of any contract arising out
of this Request for Proposals, without notifying the Supreme Court of such finding.

COMMON COURT INTERFACES

Common court interfaces for OCN, BMV and BCI&I will be implemented for the each of the courts in the Pilot and for all or most courts in the Rollout. Due to the commonality, we expect these interfaces to be developed once along with a repeatable process for configuring, testing and implementing for each court. A general description and references to detailed documentation of each interface are included below.

While the interfaces will be common to each court, the interfaces must maintain adequate separation to allow each court to control their own information exchanges and address any errors or exceptions.

COMMON COURT INTERFACES SUMMARY		
Interface	**Description**	**Document File Name**
OCN (Ohio Courts Network)	New and updated court cases for OCN data warehouse of all court cases in Ohio	Appendix B1 – OCN Interface Specifications.zip
BMV (Bureau of Motor Vehicles)	Traffic convictions, license suspensions, warrant blocks, etc. to update Ohio driver's records	Appendix B2 – BMV Interface Specifications.pdf
BCI&I (Bureau of Criminal Identification and Investigation)	Court disposition of arrest for Ohio Computerized Criminal History (CCH)	Appendix B3 – BCI&I Interface Specifications.pdf
